- 1.** For 3 years and 9 months, Mahayuti denied citizens their voting rights, crushed dissent, and paralysed democratic institutions, a direct assault on the Constitution
- 2.** Promised 24×7 water, delivered barely 5 hours. Mahayuti turned Mumbai's basic right into a daily struggle
- 3.** A 100% hike in BEST fares drained Mumbaikars' pockets. "Losses" are just an excuse to hand public transport to private profiteers
- 4.** Loud claims of a ₹17,000-crore roads project, yet 723 roads haven't even started , making the 2026 deadline nothing more than a hollow lie
- 5.** Dharavi, Mithi River, airports, ports, handed to Adani. Mahayuti is systematically converting Mumbai into "Adani City"
- 6.** Traffic Speed Index crashed to 39. Every jam is proof of failed planning and zero accountability

- 9.** 145 children are missing in Mumbai. Mahayuti has no answers, no accountability, and only silence on the future of Mumbai
- 10.** Courts fixed ₹6 lakh compensation for pothole deaths, yet Mahayuti shamelessly claims “no deaths due to potholes.” Lies even after lives are lost
- 11.** Blind obedience to Modi–Shah, factories shifted to Gujarat, Mumbai’s youth pushed into unemployment
- 12.** Marathi schools shut for builders’ profits. Mahayuti’s policies are erasing the Marathi identity from Mumbai
- 13.** A ₹6,000-crore garbage scam, workers lives endangered but Mahayuti is silent, and unbothered
